

Fellowships & Studentships for MPhil and PhD Studies at The University of Hong Kong 2010-2011

East Meets West

The University of Hong Kong (HKU) is an English speaking university. Founded in 1911, it is the longest established university in Hong Kong. It has gained the reputation as a world-class comprehensive research university with excellent research record and facilities. To further promote an international and multicultural campus, we encourage students from different nationalities and cultural backgrounds to join our MPhil and PhD programmes.

Highlights

- Ranked 24th in the world in 2009 THE-QS World University Rankings
- Ranked 1st among Asian universities in 2009 QS Asian University Rankings
- A uniquely positioned study centre of East and West
- A cultural mix of MPhil and PhD students from all over the world
- High quality teachers and students
- Leading-edge research in over 120 academic departments and research centres
- High-quality research outputs
- Top-class libraries, computer facilities, and state-of-the-art laboratories and equipment
