## **II. Amount of Teaching**

Please give me a sense of how much teaching you want/need. You can indicate this in terms of numbers of sections you want to teach or money you need to make.

Do you hope to teach both terms, or only one? If one, do you have a preference for the term?

If your teaching needs depend on the outcome of fellowship applications, please indicate when you expect to hear about the fellowships.

**If you have any questions regarding the assignment process, please contact me (Clare MacLean) at 496-1480 or [cmaclean@harvard.edu](mailto:cmaclean@harvard.edu), stop by my office (Littauer 200B 9-5, or ask them here.**
